Stainless Steel Flatware Process Flow Chart:

1.Softening metal material
(剪口下料)

2.Forging press
(压延)

3.Cutting out blanks
(修边)

4.Punching patterns
(压花)

5.Profiling
(压型)

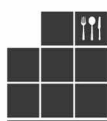

6.Polishing to shine
(抛光)

7.Cleaning
(清洗)

8.Inspecting
(检验)

9.Packing
(包装)

10.Transport
(运输)

① In order to ensure product quality, each piece of flatware must be carefully forged through dozens of processes.

② A brief summary is 25 processes. In actual operation, cleaning runs through the entire process, 4 times of grinding and 3 times of polishing, 2 times of quality inspection and so on.

③ A product has to go through at least 31 processes.

Guangzhou Garbo International Trading Co.,Ltd.

Guangzhou Garbo International Trading Company is a share-holding industrial and trading enterprise that specializes in R&D, Production and marketing, and business includes tableware of stainless steel, glassware and ceramic ware.

Guangzhou Garbo has a professional factory covering an area of around 20,000 square meters in Jieyang City, Guangdong Province, which is the gathering place of stainless steel in China. Our factory is professional in stainless steel kitchenware, including stainless steel cutlery, plastic handle tableware, stainless steel chopsticks, etc. It was founded in the 1990s and obtains a number of technical invention and product appearance patents with strict management mechanism, advanced production equipment, professional production technology, independent quality management system, experienced production and R&D team. The Factory belongs to a large-scale professional production enterprises who has passed social responsibility management system such as BSCI、SEDEX、SA8000, etc., quality management system such as ISO9001, and environmental management system ISO14001, etc.

At present, Garbo's products have been exported to more than 100 countries and regions in Europe, America, Southeast Asia, the Middle East, and Africa. And we maintain a good business relationship with international top brands such as United States (Cambridge), Netherlands (Amefa), Germany (Fissler), Spain (Comas) and so on, also cooperates with various international large supermarket such as France (Casino), the United Kingdom (Tesco), the United States (Wal-Mart), France (Carrefour), etc. Garbo have met the differentiated consumption satisfies of various regional markets with continuous and professional design and development capabilities for many years.

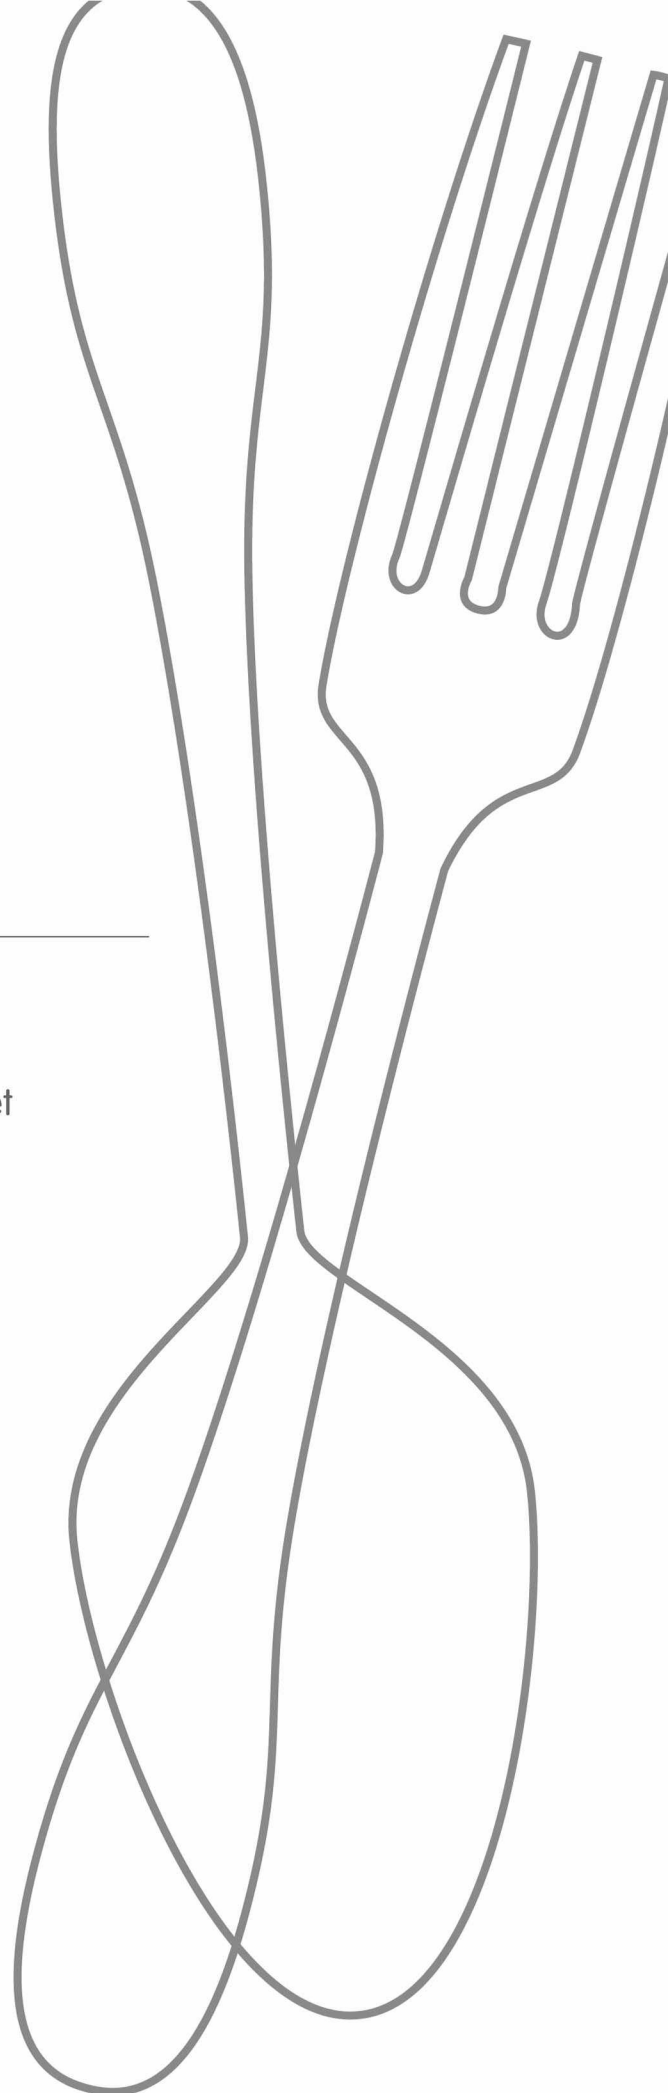

In order to provide superior products and service, Garbo constantly optimizes production management standards and market development strategies.
